Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Friday 16 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Hot and sunny for many; cloudier and cooler far north.

This Evening and Tonight:
After a fine, warm and sunny end to the day for many areas, some low cloud and mist may develop in places overnight. Cloudier in the north-west and far north with some drizzle in places.

Saturday:
Sunny and very warm for many, hot in parts of England and Wales. A few coasts cooler and misty, while parts of the northwest cloudier; some drizzle in northwest Scotland.

Outlook for Sunday to Tuesday:
Fine and dry for most throughout. Cooler with patchy rain across the far north on Sunday, also the odd shower elsewhere each day. For many very warm, locally hot.
